WINEMAKING

Haak rose is the perfect balance between a red and white wine. It is made from grapes grown on exceptional terroirs of the High Plains of Texas. The Cinsault grapes are harvested exclusively in the morning, destemmed and directly pressed. It was fermented in temperature-controlled stainless steel tanks with no malolactic fermentation and early bottling.

FOOD PAIRING

The food pairing possibilities for rose' are almost endless. Serve well chilled as an aperitif, with salads, seafood, grilled meats, spicy food, pasta or cheese.

WINEMAKER'S COMMENTS

This wine has a bouquet of strawberries, raspberries, ripe pears, watermelon and white flowers with a hint of earthiness and minerality. This is a pleasant, easy drinking wine with medium acidity and an extremely well balanced palate. It will seduce you by its freshness and elegance.
